

# FIRST RESPONDERS

After witnessing the efforts of the first responders during our hurricane disaster, we've decided to open our club to those brave individuals in our community who worked so hard to save so many.

## AS OUR WAY OF SAYING THANK YOU!

we'd like to extend a grateful invitation to all local **National Guard, Police, Firefighters, Red Cross** and affected area **Travel Pass Members** to work out with us at the club as our guests.
